

1 BACHELOR AND SINGLE-CYCLE MASTER DEGREE PROGRAMMES 2017/2018

Univerza v Ljubljani

Resolutely on the chosen paths

Dear prospective student,

Every new academic year offers new opportunities for academic and personal growth, and we are looking forward to encouraging you along this exciting journey of learning and discovery. We are happy to welcome you to this information package of our degree programmes and hope you find something of your interest.

Bachelor degree programmes at our university range across all fields of art, humanities, natural sciences and technology. They are internationally renown, comparable and professionally attractive, which provides for good and varied international mobility of students and staff. Programmes are interdisciplinary or offer combination between disciplines and professional fields, so many more options are open for individual choices of study.

Students are at the heart of our community and the motivation of our faculty and staff. With a student body of more than 40,000, we are encouraged to learn from each other and from the variety of possibilities, offered by study, social, cultural, recreational, sports and extracurricular activities in our diverse academic community. Our commitment to academic excellence and diversity of activities is confirmed by the international university rankings and many other national and international recognitions of study and research achievements of our academic and research community.

We are inviting you to start your academic path with us, boost your personal and professional career options and become a valuable member of our proud and creative academic community.

University Members (faculties and academies) offer 158 bachelor and single-cycle master degree programmes in the academic year 2017/2018. The programmes' contents range from humanities, social sciences, and art, to technology and natural sciences. The single-cycle master degree programmes are offered in accordance with European professional regulation legislation (e.g. medicine, dental medicine, veterinary medicine, pharmacy, architecture). Bachelor degree programmes are of 3 or 4 years duration. Single-cycle master degree programmes are of 5 or 6 years duration.

- Academic bachelor degree (180 or 240 ECTS credit points);
- Professional bachelor degree (180 ECTS credit points);
- Single-cycle master degree (300 or 360 ECTS credit points).

The listed fees are valid for the 2017/2018 academic year. Administrative costs and compulsory health insurance are not included in the fees. These needs to be taken care of before the start of the studies.

The price list is published at:
www.uni-lj.si/study/bachelor

Fee is paid by:

- students of non-EU countries, excluding persons granted international protection, applicants for international protection and persons from countries with which the Republic of Slovenia has concluded bilateral agreement (Slovenia has concluded bilateral agreements with Macedonia, Bosnia and Herzegovina, Serbia, Montenegro and Kosovo);
- all part-time students;
- all students with already acquired equivalent degree of education.

The programme provision is published in the annual Call for enrolment, published on www.uni-lj.si/study/bachelor, expected in **February** for the next academic year.

Application deadlines

International students of EU Member States

The first application deadline:

from February 6, 2017 to March 3, 2017

The second application deadline:

from August 22, 2017 to August 29, 2017

International students of non EU countries and Slovenians without Slovenian citizenship

from February 6, 2017 to April 20, 2017

Slovenians without Slovenian citizenship and foreign candidates from non-EU countries

must submit all documentation by **August 1, 2017**. Candidates who shall be issued final transcripts after **July 20, 2017** and who shall be issued recognition of their foreign secondary education inclusive of **August 18, 2017** shall also participate in this selection procedure.

Slovenians who concluded secondary school abroad and candidates from EU countries must submit all documentation by **September 10, 2017** at the latest.

The candidates have to send:

- original of the final certificate(s), representing general requirement for access to higher education in the country of issue, **legalised** on the basis of:
 - the 1961 Hague Convention (at the court with territorial jurisdiction where the certificate or diploma has been issued) with properly filled in apostille form affixed or
 - the Authentication of Documents in International Traffic Act;
- copy of the certificate or diploma;
- a certified Slovenian or English translation of the certificate or diploma;
- certified copies of the annual report cards of the last two years of secondary school and uncertified copies of the rest annual certificates;
- a short chronological description of the entire education prepared by the applicant;
- **a certificate indicating that the candidate has passed the examination of Slovenian** at the B2 level, if they wish to enrol at the University of Ljubljana:
 - Academy for Theatre, Radio, Film and Television;
 - Faculty of Administration;
 - Faculty of Arts - degree programmes Comparative literature and literary theory, Psychology and Slovene studies;
 - Faculty of Health Sciences;
 - Faculty of Mathematics and Physics – degree programme Mathematics education;
 - Faculty of Pharmacy;
 - Faculty of Social Sciences – degree programme Journalism.

Candidates who have completed primary or secondary education in Slovenia or completed a bilingual secondary school do not have to participate in the Slovenian language exam.

The certified copies have to be certified by a notary, an official of the administration unit or an official at Higher Education Application and Information Service of the University of Ljubljana (VPIS UL).

The International Baccalaureate Diploma (IB) is equivalent to the general matura certificate in the Republic of Slovenia and therefore does not require a special recognition procedure for secondary education. Candidates who will finish secondary school with the International Baccalaureate Diploma abroad in the year 2017 can submit a computer printout of the international baccalaureate diploma. On behalf of candidates who will be performing the International Baccalaureate Diploma in Slovenia, the secondary school will submit the diploma to the Higher Education Application and Information Service.

The European Baccalaureate Certificate is equivalent to the matura certificate in the Republic of Slovenia and therefore does not require a special recognition procedure for secondary education.
